Dear Diana,

Thank you for your efforts in organizing and leading the Wells Fargo 2013 **Harvest for Hunger** drive. We are so appreciative of your hard work in coordinating a successful workplace drive.

We are excited to announce that the 2013 **Harvest for Hunger** campaign raised a total of **\$4.05 million and nearly 360,000 pounds of food!** Together, we will provide *more than 16.4 million nutritious meals* in support of local hunger centers!

Workplace drives are vital to the success of the **Harvest for Hunger** campaign. Not only are you collecting resources to help our neighbors in need, but you are raising awareness and inspiring others to take action against hunger in our community. Your enthusiasm and dedication to this cause has helped to make this year's **Harvest for Hunger** campaign a record-breaking success!

The \$1,030 that Wells Fargo contributed will provide 4,120 meals to hungry men, women, and children in Northeast Ohio. We are truly grateful for the generosity shown by you and your colleagues. We could not have done it without your help!

Thank you again for your time and support.

Sincerely,

Anne Goodman
