

**DANIEL HUFFMAN AMONG “BEST OF BEST” FINANCIAL
ADVISORS ATTENDING *BARRON’S WINNER’S CIRCLE*
*TOP ADVISORS SUMMIT***

*Exclusive Conference Hosts Elite Gathering of Nation’s Pre-eminent Financial Advisors and
Industry Decision Makers*

BOCA RATON (October 1, 2010)—Daniel M. Huffman, CFP[®], Managing Director – Investment Officer of Huffman Mayer Wealth Management Group of Wells Fargo Advisors, LLC attended the sixth-annual *Barron’s Winner’s Circle Top Advisors Summit*, hosted by *Barron’s* magazine to promote best practices in the industry and the value of advice to the investing public. The invitation-only conference was held at Boca Raton Resort and Club, September 29-October 1 in Boca Raton, FL.

Sixty-five of the Top 100 Financial Advisors in the U.S., as ranked and published in *Barron’s* April 19, 2010 issue, were in attendance. This annual ranking is the basis for the Top Advisor’s Summit and the advisors are chosen based on the volume of assets overseen by the advisors and their teams, revenue generated for the firms and the quality of the advisors’ practices. The top 100 are comprised of advisors from major security firms and independent operations.

“It was an honor to be a part of this event and to meet other professionals who share the same integrity and passion for this industry,” said Huffman. “Discussing best practices one on one with the top financial advisors across the country was a unique experience. It will be beneficial to bring these insights back to the firm and to our clients.”

First Vice President James Mayer added, “We are very proud of the fact that Dan was once again invited to this prestigious event. I feel fortunate to have a partner who is so highly respected in this industry.”

This exclusive conference is designed to promote best practices and generate new ideas across the industry. Attendees conducted workshops led by the Top 100 Financial Advisors that

explored current issues from business development ideas, managing high-net-worth accounts and families to portfolio management and retirement planning.

“Because the Summit brings together key leaders and top decision makers from around the country, it is recognized by the financial advisor community as the industry’s leading event,” said Ed Finn, editor and president of Barron’s. “The ideas and discussions generated here equip attendees to provide the best investment and financial advice to their clients, which is vital given the challenging economic and market conditions of today.”

Huffman was one of approximately 400 financial advisors who was selected

by their firm to attend and participate in the conference. Participating firms included:

Ameriprise Financial Services Inc., Bank of America-Merrill Lynch, Credit Suisse Securities (USA) LLC, Deutsche Bank Alex. Brown, LPL Financial, Morgan Stanley Smith Barney, Raymond James Financial, RBC Wealth Management, Robert W. Baird & Co., UBS Financial Services Inc. and Wells Fargo Advisors.

About Barron's

Barron's (www.barrons.com) is America's premier financial magazine, renowned for its market-moving stories. Published by Dow Jones & Company since 1921, it reaches an influential audience of senior corporate decision makers, institutional investors, individual investors and financial professionals. With new content available every week in print and every business day online, Barron's provides readers with a comprehensive review of the market's recent activity, coupled with in-depth, sophisticated reports on what's likely to happen in the market in the days and weeks to come. As a result, Barron's is the financial information source these powerful people rely on for market information, ideas and insights they can use to increase their professional success and enhance their personal, financial well-being.

The "Barron's Top 100 Financial Advisors" is a select group of individuals who are screened on a number of different criteria. Among factors the survey takes into consideration are the overall size and success of practices, the quality of service provided to clients, adherence to high standards of industry regulatory compliance, and leadership in "best practices" of wealth management. Portfolio performance is not a factor.

Attendees of the Barron's Winner's Circle Conference were comprised of the 100 advisors listed in Barron's Winner's Circle "Top 100 Financial Advisors", (April 19, 2010) as well as 400 financial advisors designated as the top 1% producers of their firms.
